EXPERIENCE

Catholic Order of Foresters
August 2019–Present

Graphic Designer

Junior Graphic Designer, 3 months

- > Collaborated with marketing and fraternal outreach teams to launch programs like Adopt A Seminarian, our March for Life materials, and Feeding God's Children Events.
- > Lead designer for company advertisements. Designed an Advertisement Guidelines Document to create a cohesive aesthetic.
- > Assisted on our magazine, published six times a year, by creating back advertisements, designing various pages, and covers.
- > Created marketing materials, like brochures, name tags, eight foot banners and more.
- > Used programs like After Effects and PowerPoint to keep the home office team up to date on holidays, birthdays, and other company-wide events.

Pine Forest Camp, Summer 2018

Greeley, Pennsylvania

Pine Forest Camp is a summer camp located on the east coast, which has been run by the same family since 1931.

- > As the Cartooning Specialist I executed several design elements for camp-wide events.
- > Communicated effectively with my students, my fellow counselors, and my art director to provide the best experience for the students.

Wolff Retouching Co., 2016

A specialized design firm working with photography to create family-oriented products.

- > Designed multiple family Christmas cards while balancing client requests and basic design principles and layout.
